

VE Day 75th Anniversary Celebrations

Why not have your own

Stay at Home garden party

Friday 8th May 2020

National 2 minutes silence at 11.00am allowing the country to remember the sacrifice and contribution of the WW2 generation whilst also reflecting on the Covid-19 situation and those people and organisations who are doing so much to keep us and our families safe and well.

Why not raise a glass followed by a clap to show your appreciation.

Commemorate the end of WW2 by decorating your house in red, white and blue and enjoy a lunch time picnic in your garden, singalong etc!
